Exhibitors CHECK LIST

Please ensure your work complies with the following guidelines.

Works for general display & sale in the Gallery Gift Shop should be clean, dry and sound work ready for sale.

Hung works must be fitted with D Rings 1/3 down from the top of the frame/top of canvas and it must have a taut cross wire for hanging.

(Diagram below - If you are unsure what this means please contact the gallery prior to delivery of work.)

standard or triangulated D Rings are acceptable

Eye Rings & Stabled string or fishing line are not accepted

FYI

exhibition or art competition often requests D-Rings 100mm from the top of your hung work – this (diagram below) is what they are asking for....

These D-rings are in addition to your normal hanging (as shown in diagram above).

They are fitted to ensure that every exhibitor is using a standard setup to make the hanging of works easier in large exhibitions & galleries.

– please fit additional D-rings 100mm from the top of your work.
